

Year 5 Term 6 Project Based Homework

This term our Connected Learning is led by the question:
What impact do humans have on Planet Earth?

Last term our focus was mostly on pollution, particularly with plastic. This term, our key texts (the Hunter and Kensuke's Kingdom) focus on the human impact on animal populations. What threats are we causing to animal lives?

To support your learning this term, please choose at least one of the following homework projects:

English	Connected Learning	Art
Option 1: Animal Activist	Option 2: Endangered Animals	Option 3: Animal Portrait
<p>Some wonderful people have dedicated their lives to supporting the welfare of animals. Research someone who has made a big difference to animal lives and present who they are and what they have done to the class. (Ideas: Jane Goodall, Steven Backshall, David Attenborough, Kate Humble, The Irwin Family)</p>	<p>Many animals in our world are sadly endangered. This means that their populations have declined so much that they risk extinction. Choose an animal that is currently endangered and create a presentation to tell us all about them. Explain what threats their facing which is causing them to decrease in population.</p>	<p>Draw/paint a portrait of an endangered animal. This should show great attention to detail and demonstrate time and effort to produce your best work. Please accompany this with facts to present with.</p> 

Completed homework should be brought into class ready to present on Monday 15th July 2024
